Technology Help Desk

Each Chromebook or tablet has a button that allows you complete a technology request.

Learning Expectations

1. Students follow directions, watch videos, read content information, complete assigned work and turn in assigned work.
2. Email or call the teacher if they have a difficulty understanding a specific activity.

Attendance

Notify the teacher of days and times that a student cannot complete the work due to a certain circumstance (sickness or unexpected event). The teacher and family can figure out how to be flexible with deadlines.

Courtesy Call

Please call Mrs. Secord if your student or someone living in your student's home gets COVID-19. This helps our school understand the needs for students and family as well as document information.
