A Note from the Principal

The first school newsletter of the school year! As we all try to stay in the moment and at the same time plan for the unknown, I want to thank the families and students for being resilient. We have a lot to celebrate.

As we enjoy the preschoolers, kindergarteners and first graders classes in the building, we also delight in the virtual learning. I have never witnessed a community learn so much about technology in such a short amount of time. This is definitely one for the history books.

This year the staff has embraced restorative practices as part of our school-wide positive behavior plan. We will continue to say...

Take care of yourself. Take care of others. Take care of our school.

My name is Mrs. Jarvis & I am coming to FES this year from MRMS. I graduated from the University of Virginia in 2009. I finished my Masters in Education at Liberty University in 2013. I currently live in Augusta County with my husband, two sons, and our yellow lab. I am also an all-star cheer coach and have been coaching for 10 years. In my free time, I love to craft, go camping and visit the beach. I am looking forward to meeting and working with all of the amazing kiddos at FES this year!
